

UNICITY Cleanse

Most people have heard the phrase, “Take care of your body and it will take care of you.” But in today’s busy world, we don’t always get to eat the right foods with the right balance of nutrients to keep our gut moving and functioning as it should.

Fortunately, our bodies are designed to eliminate waste material before it accumulates and causes health concerns. The liver, kidneys, and colon work together to ensure harmful compounds don’t make it into the bloodstream. But when these systems aren’t working properly, it can cause fatigue, weight gain, insomnia, headaches, and joint and muscle pain. Sometimes it’s necessary to give our bodies a little extra help to keep things moving properly through the digestive system.

Unicity Cleanse is a powerful, 30-day system that helps to first cleanse the digestive system and then nourish a healthy microbiome. It helps the body clear the digestive tract, supports the replacement of good bacteria, and then nourishes the good bacteria with prebiotic ingredients—allowing a healthy microbiome to flourish.

Benefits

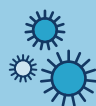

Gently nourishes and cleanses the digestive system

Aids the body in eliminating toxins and waste

Helps promote digestive regularity

Supports a healthy microbiome

Increases satiety to curb appetite

Promotes overall digestive health

Ideal For

- Individuals who want to cleanse their bodies of waste and toxins
- People looking to support their gastrointestinal system
- Those who experience occasional constipation
- People who want to increase their fiber intake
- Individuals wanting to maintain normal, healthy blood cholesterol and glucose levels
- Individuals wanting to support a healthy balance of their intestinal biome

What's inside

Unicity Cleanse comes with Paraway Plus, LiFiber, and Aloe Vera.

Paraway Plus

Paraway Plus contains a unique combination of high-quality medicinal plants traditionally used for digestion, such as pumpkin seeds and cloves.

Aloe Vera

Unicity Aloe Vera has a laxative effect and helps give your body a deep cleanse to eliminate waste.

LiFiber

LiFiber is a high-quality psyllium husk product that contains dietary fiber and a proprietary herbal blend. LiFiber also provides a plant-based source of fiber that most people lack in their diets, which helps move waste through the digestive tract and helps support an overall healthy microbiome.

Cleanse schedule

To get the most out of this 30-day cleanse, please follow these daily instructions.

Water

Drink at least 64 oz. (1.9 L) each day.

Paraway Plus

Take one capsule every morning for the first 10 days, then two capsules every morning for the next 20 days.

LiFiber

Mix one level scoop of LiFiber with 8–10 oz. (0.25 L) water. Drink immediately. Take 1–2 times daily.

Aloe Vera

Take one capsule with a full glass (8 oz. / 0.25 L) of water each day.

Tip: While you may continue to eat as normal while taking the Unicity Cleanse Pack, we recommend maintaining a healthy, balanced diet with plenty of water.

UNICITY Cleanse

What to expect

The process of ridding your body of toxins and waste with Cleanse may cause some initial mild discomfort. This discomfort may include: blemishes, constipation, cramping, diarrhea, gas, bloating, nausea, and changes in your urine and stool.

As your body adjusts to cleansing, these uncomfortable symptoms will gradually diminish, and then disappear completely. However, if any of these symptoms persist, discontinue use and contact your doctor.

The Unicity Cleanse pack is intended for healthy individuals and is not for long-term use. Take only as directed. Do not take if you are pregnant, breastfeeding, or taking medications. Consult your health care provider before taking any Cleanse products if you have a medical condition.

Designed for Health

Today, we face a health crisis unlike any the world has ever seen. Despite scientific advancements in medicine and health care, people are unhealthier than ever.

The good news is that this pervasive global health decline is completely reversible. As The Health Intervention Company, Unicity is committed to combating today's health crisis by developing products that are obsessively backed by science, rigorously tested, and masterfully produced—all to help millions around the world live better lives.
