

Centurion Club

Centurion Club

A core belief at Unicity is that by making life better for others, you can make life better for you. We are passionate about providing the opportunity for anyone to take matters into their own hands and transform their circumstances by helping others transform their health. The Centurion Club is our way of putting our money where our mouth is and recognizing you for directly impacting the lives of a hundred (or more!) people in a month.

How to achieve Centurion

The Centurion Club is an elite status level to reward Distributors for selling and promoting Feel Great packs. Feel Great is a program consisting of our two flagship products, Unimate and Unicity Balance, combined with intermittent fasting. We have found that the Feel Great approach provides the best entry experience to Unicity products by helping consumers feel better than they've felt in years, guaranteed.

A Unicity Distributor achieves Centurion status when they have 100 points in their Centurion Count for a given commission month. So long as they maintain 100 points, they will maintain Centurion status. You can track your own progress to Centurion in your Feel Great dashboard in Unicity Office.

Earning Points for Centurion Count – Members

There are four ways to earn points from your members each month:

1

You receive one Centurion point for each Feel Great pack or Booster pack purchased by Members you have enrolled and sponsored. You may receive up to three points per Member.

2

You receive one Centurion point for each Feel Great pack purchased by Members that were referred and sponsored by your Members. You may receive up to three points from each Member referral.

3

You receive 10 Centurion points whenever you purchase a Feel Great 10-Pack with your Distributor account to replenish your home inventory for new prospects. A maximum of **30** Centurion points can be earned per month through these purchases.

4

For every 100 PV of your Member's Volume NOT from purchases of Feel Great or Booster packs, you receive one additional Centurion point.

Earning Points for Centurion Count – Distributors

There are three ways to earn points from your Distributors each month:

1

You receive a maximum of three Centurion points for each Feel Great pack or Booster pack purchased by existing Distributors you have enrolled and sponsored.

2

In the same commission month that you enroll and sponsor a new Distributor, their entire Centurion Count will contribute to your total Centurion Count as well.

3

During the first three **full** months after you enroll and sponsor a new Distributor (not including the initial month they enroll), any Centurion points they earn from their personal Members, or from enrolling and sponsoring new Distributors into their frontline, will also contribute to your total Centurion Count as well.

Benefits of the Centurion Club

Special recognition, swag, occasional events, and progress towards qualifying for Unicity reward trips are some of the benefits Centurion Club members enjoy. Most importantly, Centurion Club members, and those working toward Centurion, are eligible for additional bonus payouts on Feel Great Volume in the second, third, and fourth Generations as shown below:

ADDITIONAL ORGANIZATION BONUS PAYOUT FOR CENTURIONS

Centurion Count	Gen 2 increase*	Gen 3 increase*	Gen 4 increase*
30 – 59	2%	2%	2%
60 – 99	3%	3%	3%
100+	5%	5%	5%

**Centurion Bonus paid on Feel Great Volume only.*

Centurion Leader Rule

The Centurion Leader Rule was created to encourage all Unicity Distributors to lead by example through qualifying as Centurion themselves.

With this rule, the amount a Distributor earns on Feel Great Volume from Unicity's Organization Bonus depends on the Distributor's personal Centurion Count each month. This means that your Centurion Count determines the amount you can earn from the Centurion Counts of your downline Distributors.

EXAMPLE

John had a Centurion Count of 25 in May. Rob and Sarah are two of the downline Distributors in John's organization. Rob's Centurion Count in May was 15 while Sarah's was 60. This means that John will earn the full Organization Bonus on all 15 of the Feel Great packs under Rob, while only earning on 25 of the 60 Feel Great packs under Sarah.

In June, John pushes himself to be the leader and increases his Centurion Count to 65. Both Rob and Sarah maintain the same Centurion Counts as they did in May of 15 and 60. Now John earns the full Organization Bonus on all of the Feel Great packs under both Distributors.

The one exception to this rule is that any month you qualify as full Centurion (a Centurion Count of 100 or more), you will earn the entire possible Organization Bonus on ALL of your downlines' Feel Great Volume*, even if their Centurion Counts exceed 100. You will also earn the bonus 5% on Feel Great Volume in your Generations 2-4 as part of the Centurion Bonus commissions explained above.

**Downlines you would qualify to earn Organization Bonus from according to Unicity's Compensation Plan.*
